## II. PROJECT

### A. Program Objectives

The Omnibus Economic Development Law of 1987 established the Entrepreneurship Assistance Centers (EAC) Program to issue grants to not-for-profit corporations, community colleges and boards of cooperative educational services for the development of EAC that provide services to entrepreneurs and small businesses in New York State:

- Seeking to start or are starting their own business ventures; or
- Seeking to expand their early-stage firms (1-5 years).

The emphasis is on helping entrepreneurs and small business owners develop lasting businesses and acquire problem-solving skills so that minority, women, veterans, and individuals with special needs learn to independently and successfully manage and grow and generate concrete results related specifically to business creation, increased sales, expanded employment, and securing financing.

ESD seeks applications from qualified community-based organizations that are established in their communities, have close ties with local residents, and can adapt their services to meet needs and demands of the community.

The Project is funded from the New York State EAC Budget Appropriations and subject to the availability of State funds. The Project is a one-year award to commence on July 1, 2023.

## B. Program Goals

Applicants must be able to meet the following goals:

- Increase business ownership and business expansion among small businesses, with special emphasis on minority group members, women, veterans, and those that operate in distressed and highly distressed communities;
- Connect small businesses to relevant New York State, federal, municipal, or local programs and resources;
- Provide technical assistance to small businesses to develop business strategies for outreach and consumption, maintain revenue and retain employees, with special emphasis on minority and women-owned firms;
- Facilitate the creation/retention of private sector jobs;
- Increase access to financing by minorities, women, and veteran owned firms; and
- Significantly expand sales among minority, women, and veteran owned firms.

##### **B. Review Process**

Reviewers will consist of ESD staff. The reviewers will adhere to the process described in this section and will apply the review criteria detailed above. ESD will limit the number of proposals a reviewer is required to evaluate. Each proposal will be reviewed and scored by at least two reviewers.

Scoring: Reviewers will independently evaluate and assign a preliminary score to proposals that have been accepted by ESD. The *preliminary scores* for a proposal will be combined to provide an *initial average score* for that proposal.

After the initial average scores are calculated, reviewers will convene as a group to review these preliminary scores and discuss the proposals in accordance with the review criteria. At the conclusion of the discussions, each reviewer will individually provide a *final score* for each

proposal based upon the panel's discussions.

In the event that two or more proposals have the same final score, and the score is high enough for the applicants to be considered for funding, the review panel will hold an additional session to review only those affected proposals. The review panel will deliberate until there is a consensus regarding the selection. At times, it may be necessary to conduct interviews in order to determine the selected applicant.

ESD reserves the right to reject any and all applications. ESD may recall this RFA at any time prior to award announcement and may also reject proposals for deficiencies; waive technicalities, irregularities, and omissions; or solicit new proposals. ESD reserves the right to act in accordance with the best interests of the people of New York State in its interpretation of this RFA.

Applicants and/or their surrogates are prohibited from contacting any ESD staff to advocate on behalf of a proposal submitted in response to this RFA. Violation of this restriction will disqualify an applicant's proposal from the competition.

## **2. State Finance Law Sections 139J and 139K forms**

State Finance Law Sections 139-j and 139-k (collectively, the "Procurement Requirements") apply to this RFA. These Procurement Requirements: (1) govern permissible communications between potential Respondents and ESD or other involved governmental entities with respect to this RFA; (2) provide for increased disclosure in the public procurement process through identification of persons or organizations whose function is to influence procurement contracts, public works agreements and real property transactions; and (3) establish sanctions for knowing and willful violations of the provisions of the Procurement Requirements, including disqualification from eligibility for an award of any contract pursuant to this RFA. Compliance with the Procurement Requirements requires that all communications regarding this RFA, from the time of its issuance through final award and execution of any resulting contract (the "Restricted Period"), be conducted only with the designated contact persons listed above; the completion by Respondents of the Offeror Disclosure of Prior Non-Responsibility Determinations, and the Offeror's Affirmation of Understanding and Agreement pursuant to State Finance Law (each form is accessible at the Required Forms for Vendors link at the ESD website under "RFPs"); and periodic updating of such forms during the term of any contract resulting from this RFA.

Respondents must submit the Offeror Disclosure of Prior Non-Responsibility Determinations, and the Offeror's Affirmation of Understanding and Agreement pursuant to State Finance Law as part of their submittal. Copies of these forms are available at:

[https://esd.ny.gov/CorporateInformation/Data/RFPs/RequiredForms/SF\\_Law139\\_JK.pdf](https://esd.ny.gov/CorporateInformation/Data/RFPs/RequiredForms/SF_Law139_JK.pdf).

The Procurement Requirements also require ESD staff to obtain and report certain information when contacted by Respondents during the Restricted Period, make a determination of the responsibility of Respondents and make all such information publicly available in accordance with applicable law. If a Respondent is found to have knowingly and willfully violated the State Finance Law provisions, that Respondent and its subsidiaries, related or successor entities will be determined to be a non-responsible Respondent and will not be awarded any contract issued pursuant to this solicitation. In addition, two such findings of non-responsibility within a four-year period can result in debarment from obtaining any New York State governmental procurement contract. The designated contact account for this solicitation is referenced on the cover of this RFA.

This is not a complete presentation of the provisions of the Procurement Requirements. A copy

of State Finance Law Sections 139-j and 139-k can be found at:

[http://esd.ny.gov/CorporateInformation/Data/RFPs/RequiredForms/PermissibleContactsPolicy\\_Jan2007.pdf](http://esd.ny.gov/CorporateInformation/Data/RFPs/RequiredForms/PermissibleContactsPolicy_Jan2007.pdf). All potential Respondents are solely responsible for full compliance with the Procurement Requirements. Both the prime consultant and any sub-consultants complete the forms required above.

### **3. Vendor Responsibility Questionnaire**

All Respondents to this RFA must be “responsible,” which in this context means that they must have the requisite financial ability, organizational capacity, and legal authority to carry out its obligations under this RFA, and in addition must demonstrate that both the Respondent and its principals have and will maintain the level of integrity needed to contract with New York State entities such as ESD. Further, the Respondent must show satisfactory performance of all prior government contracts. Accordingly, the contract to be entered into between ESD and the Respondent, if any, shall include clauses providing that the Respondent remain “responsible” throughout the term of the contract, that ESD may suspend the contract if information is discovered that calls into question the responsibility of the contracting party, and that ESD may terminate the contract based on a determination that the contracting party is non-responsible. On request, model language to this effect will be provided to any Respondent to this RFA.

To assist in the determination of responsibility, ESD requires that all Respondents to this RFA register in the State's Vendor Responsibility System (“Vend-Rep System”). The Vend-Rep System allows business entities to enter and maintain their Vendor Responsibility Questionnaire information in a secure, centralized database. New York State Procurement Law requires that state agencies award contracts only to responsible vendors. Respondents are to file the required Vendor Responsibility Questionnaire online via the Vend-Rep System or may choose to complete and submit a paper questionnaire. Please include a copy of your Vend-Rep submission receipt or paper questionnaire with your proposal.

To enroll in and use the Vend-Rep System, see the System Instructions available at [www.osc.state.ny.us/vendrep](http://www.osc.state.ny.us/vendrep) or go directly to the Vend-Rep system online at <https://portal.osc.state.ny.us>. For direct Vend-Rep System user assistance, the Office of the State Comptroller's Help Desk may be reached at 866-370-4672 or 518-408-4672 or by email at [helpdesk@osc.state.ny.us](mailto:helpdesk@osc.state.ny.us).

Respondents opting to file a paper questionnaire can obtain the appropriate questionnaire from the Vend-Rep website ([http://www.osc.state.ny.us/vendrep/forms\\_vendor.htm](http://www.osc.state.ny.us/vendrep/forms_vendor.htm)) and execute accordingly pertaining to the company's trade industry.
